

Product Category	Subcategory
Client Computing Devices	Desktop Computers, Embedded Technology Devices, Laptops, Large Scale Computers, Micro computer, Notebook Computers, Personal Digital Assistant (PDA), Tablets, Touchscreens, Wearable IT etc.
Peripherals	Computer/Telephony (CTI) Digitizers, Monitors, Multifunction Peripheral Optical and Imaging Equipment, Optical Recognition Devices, Printers, Scanners, personal use Tape Drives and Tape Libraries, Flash Drives, Hard Disk Drives,etc.
Data Center Equipment	Channel Service Unit, Control Devices Data Service Unit, Mainframes,Servers etc.
Storage	Disk Arrays, Fabric Attached Storage, Flash Drives, Hard Disk Drives, IP Storage, Network Attached Storage, Storage Area Network, Storage Devices, and server based tape drives and libraries etc.
Communications Equipment	Aircards, Bridges and Wireless Bridges, Cellular Paging, Cellular Phones, Cellular Ports, Diagnostic and Test Equipment, Fax Machines, Gateways, Hubs/Concentrators, LAN Adapters, Microwave, Modems, Multiplexers, Network Interface Cards, Private Branch Exchanges, Public Address, Systems, Radar, Radios, Routers, Remote Access Devices, Satellite Equipment, Smartphones, Special Physical Visual, Speech and Hearing Aid Equipment, Switches, Telephone Equipment, Video Teleconferencing Equipment, Wireless Accessories, Wireless Adapters, Wireless Broadband Devices, Bandwidth Management Devices etc.
Electronic Equipment	Adapters, Circuit Cards, Digital Data Transmitters, Display Units, Electronic Cables, Cords, Wire Assemblies, Electrical Cards and Boards and Electrical Control Equipment
Fiber Optic Equipment	Fiber Optic Accessories, Fiber Optic Assemblies and Harnesses, Fiber Optic Cables, Fiber Optic Devices, Fiber Optic Interconnectors, Fiber Optic Photo Detectors, Fiber Optic Receivers, Fiber Optic Sensors, Fiber Optic Switches, Fiber Optic Transmitters
Ancillary Supplies and or Services	Installation, maintenance,Imaging and asset tagging, Federal Keep your Hard Drive, Warranty
Term Software	Application, Business management, communication, educational, electronic commerce/internet, entertainment, financial management, graphics, multimedia, office suites, operating systems, pda software, programming, utility, virus detect, application software, communication software, ec software, financial management.
